Description of Change: OEM Ship Kit Change

Effective 1 June 2013, the following changes will occur to Ship Kits for all 48-Series, v-Series, and vi-Series OEM lasers. Keyswitch versions of these lasers (where available) are **not** affected by this change.

- (1) The SYNRAD Laser Manuals CD (P/N 902-20336-01) will no longer ship with the OEM lasers listed above. The latest PDF versions of our manuals are always available on the SYNRAD website at http://www.synrad.com/Manuals/manuals_laser.htm.
- (2) The 48-Series ship kit (P/N 250-00002-01), will no longer ship with the 48-Series OEM lasers listed above. This kit included a DB-9 connector with shell, rubber mounting feet, and assorted mounting screws.

For further information contact SYNRAD at 1.800.796.7231; outside the U.S., dial +1.425.349.3500 or email to: synrad@synrad.com.
