

SYNRAD Product Change Notice

PCN #: 007-2013
ECO #: 4803
Date: 05 November 2013
Product P/N: 48-1SAM, 48-1SWM
48-2SAM, 48-2SWM
48-3SAM, 48-3SWM

Description of Change: OEM Wiring Harness Change

Effective 21 October 2013, 48-Series OEM lasers ordered from the factory ***without*** the Diode Pointer option will ship ***without*** the faceplate-mounted 5V DP power jack, the internally-mounted shutter microswitch, and the internal forward wiring harnesses.

Keyswitch versions of these lasers are ***not*** affected by this change.
